

Site & Assistant Managers Wanted!

We are currently hiring Site and Assistant Managers for our current and upcoming locations. Get in on the ground level of a growing company and join a fun and fast moving team!

Who are we?

Cloud10 has the simple goal of creating the most professional and hassle-free experience for our customers when they get their cars washed. Employing the latest technologies, we make it easy and pain-free to get a high-quality car wash for a low price. With water-efficient and eco-friendly processes, getting a Cloud10 Car Wash is also beneficial to the places where our customers live. We want every customer to leave our car washes with a clean car, feeling happy and satisfied.

Why work for us?

Cloud10 offers you a fun, safe, and energetic career opportunity. We strongly believe in investing in our staff, promoting from within, and building the best team possible. We offer great pay, flexible hours (because we know you have a life outside of work), and the chance for advancement for every employee.

What will you be doing?

- Managing a team of dedicated professionals
- Onboard new hires
- Engaging with customers
- Having fun
- Ensuring the wash is clean and operable
- Working with a great team

You're a great fit for this position if you:

- Excel with performance based compensation
- Have prior experience managing a car wash, retail operation, small business, or other storefront
- Are excited by the idea of running a state of the art facility

- Love working with customers
- Have a positive, can-do attitude
- Excel at solving problems
- Able to teach, train, and manage a team, including scheduling
- Looking for a great opportunity with career growth!
